

Hardhat Legacy Updates (20221005)

Server Update

GENERAL LEDGER

Journal Entry Search

- The grid format has been added to the Search window in **Journal Entry**.

Missing TJL Information

- Fixed missing TJL ID in **Detail Inquiry (430)** and Account in **Transaction Journal Listing (415)**.

PAYROLL

941 form changes

- The IRS has made changes to the 941 form for the 3rd quarter. Some lines have been deactivated, but it should not affect many customers.

Arkansas Withholding Tax

- Arkansas Withholding Tax Rates have been changed for the 4th quarter.

ACCOUNTS RECEIVABLE

AIA

- Improvements and fixes have been made to the grid format.

INVENTORY

Inventory List (851)

- Added grid format to Inventory List. This report shows detailed item, purchase and location information about inventory items for a specified date.

HARDHAT CONTRACTOR'S, INC - INVENTORY LIST SPREADSHEET

JOB COST

Job Spreadsheet (634)

- Grid format has been added.

MISC. GRID REPORT INFORMATION

- Grid formatted reports are displayed in columns and have increased functionality. Columns can be rearranged, resized, added and removed. Right-clicking within the report allows users to add Find fields and Filter Rows that make it easier to find specific information. The **Column Chooser** option lets users hide and show columns based on their preference.
